Rice germplasm publications
(1991 - 2008)

Dr M T Jackson
Former Head, Genetic Resources Center
International Rice Research Institute (IRRI)
Los Baños, The Philippines

I have PDF files of all the papers in refereed journals, and a few of the others.
Please contact me through this blog if you would like a copy of any of the papers.
**Biosystematics and germplasm diversity**

Lu, B.R., A. Juliano, E. Naredo & M.T. Jackson, 1995. The conservation and study of wild...

**Seed conservation**

Kameswara Rao, N. & M.T. Jackson, 1996. Seed production environment and storage

**On farm conservation**

**Genebank management**

Jackson, M.T., 1998. The role of the CGIAR’s System-wide Genetic Resources Programme (SGRP) in implementing the GPA. Invited paper presented at the Regional Meeting for Asia and the Pacific to facilitate and promote the implementation of the Global Plan of Action for the Conservation and Sustainable Use of Plant Genetic Resources for Food and Agriculture, held in Manila, Philippines, December 15-18, 1998.

Jackson, M.T., 1999. Managing the world’s largest collection of rice genetic resources. In:

**Germplasm collecting**

Agricultural Research Center, National Agriculture and Forestry Research Institute, Ministry of Agriculture and Forestry, Vientiane, Lao PDR, and Genetic Resources Center, International Rice Research Institute (IRRI), Los Baños, Philippines.

**Germlasm evaluation and use**

Philippines. pp. 3-8.
